

Current Lead Times

05/01/26

Please note the following with regard to our current lead times below:

- These are **working days** from receipt of order to delivery.
- If **not** entering the order yourself on Luxaflex Connect, please add a day to the lead time.
- These dates are estimates only and may vary. If you require a more accurate delivery date, please contact our Customer Services department on 0161 442 9500
- **Order cancellation / amendment:** To minimise product lead-times, production of your order may start immediately the order is entered on our system. Please therefore double check all details are correct prior to placing your order as an amendment / cancellation charge may otherwise be applied.
